

English: We will continue to extend our understanding of sentence structure and grammar, learn new spellings and apply learnt rules. We will be looking at journalistic writing, learn about different types of poetry and apply our skills over a range of writing. Our class text continues to be 1000 Year Old Boy by Ross Welford.

Elm Class Year 5 and 6 Term 3 and 4

Mr Agate/Mrs Golding,
Mrs Atherden, Miss Sherwood
and
Mrs Jones

Earth and Space

Science: We will be learning about Earth and Space. The children will have an awareness of Earth and their place on Earth. They will have an understanding of the planets and the wider galaxy. They will cover history of Space/famous Scientists and astronauts/locations around the world important to space travel/the space race/cover measure, volume and many other aspects of maths through space research. They will carry out their own space investigations in different conditions.

Geography; We will be aiming to identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night).

The Arts:

In music we will be singing and looking at percussion and performance with Mrs Golding on a Friday. We will also be singing with Mr Agate.

As artists we will look at using a range of media and look at how it interacts with each other. We will be looking at colour and the colour spectrum. We will be creating a space sculpture.

We start our artist study of British artist J.M.W Turner.

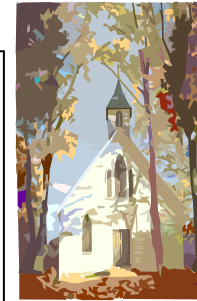

PE: We will develop our dance skills through the Big Dance sessions, preparing and practising for our stage performance later in the year. We will also be doing Hockey.

Maths: We will be getting Year 6 prepared for their SAT's by looking at past papers and questions, looking how to tackle them. We will revise time, shape, measurements, the four operations and fractions.

Year 5 will be focused on Fractions and be learning how to add, subtract, convert and multiply fractions. We will all be looking at BIDMAS/BODMAS.

RE: We will be learning about Christianity, looking at the resurrection and Pentecost. We will be celebrating Easter and looking at the story of Easter.

We will study Buddhism and its main beliefs and religious figures.

PSHE: We will be looking at friendship and issues associated with friendship.

We will discuss how we feel when we experience different emotions. We will discuss different emotions and how to handle them.

French: We continue to broaden our vocabulary and develop our ability to understand new words. We will be speaking and writing in French with Mrs Golding on a Friday.
