

## Elm Home Learning Menu Term 5 and 6

- You must complete the three tasks on the top line each week
- You may choose to complete one, or more of the options on the bottom row.

Read at least 5 – 10 minutes daily (3 days decoding and 2 days comprehension skills)

Year 5/6 words

Any word lists set on Spelling Shed

You can practise using your multiplication booklet and also by playing games – some online links are suggested below:

<https://mathsframe.co.uk/en/resources/category/7/multiplication-and-division>

<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

or on Maths Shed

There are many different creatures living in the Everglades, Alaska and even in Death Valley... Find out about one of them using information books or the Internet and create an animal fact file (idea below)

Native Americans are the indigenous people of the USA. They live in tribes. Some tribes designed and created totem poles in the places they lived. Totem poles showed images of animals living in the same area and other important symbols. Most had an eagle at the top. Design your own totem pole to represent where you live and things that are important to you.

Make a collection of natural objects mixing their subtle colours and details in a natural collage. Use a magnifying glass to help you look at the smaller areas of colour and pattern. Items might include flowers, leaves, stones and pebbles, shells and tree bark.
